

## Pricelist for Estinator Plus 2021

UPDATED JULY 1st 2021

Estinator exists in two editions: Estinator Basic (the free version) and Estinator Plus (the paid version).

The list price (normal price) for Estinator Plus as of 1st January 2022 will be DKK 750 incl. moms/VAT (600 ex. moms/VAT). This includes access to updates up to one year in the future from the time of purchase.

### Period discount

You can get a discount of 30 % if you buy 3 years of update or slightly more than 45 % if you buy 5 years - but only when paying in advance. There are no further subscriptions or renewals.

### Introduction discount

Furthermore you can get an introduction discount throughout all of 2021, so you can save additional 70 % until 1st of September 2021 (extended from 1st of July). After that the introduction discount stays at 50 % until end of 2021.

Here is an overview of all prices (all in DKK including moms/VAT):
